This letter serves as an official request for confidentiality under the FCC Rule Section 0.459. We have requested that the following documents required to be submitted with this application be withheld from public review:

1. Schematics
2. Block Diagram
3. TRIO Function Description

The reason for this request is that these documents are company proprietary information that should never get into the possession of our competitors, which would be harmful for our business.

Thank you very much.
